MISCELLANEOUS ELECTRIC SERVICE CHARGES

I. APPLICABILITY

A charge shall be assessed, or credit provided, for the activities and services listed below in accordance with the provisions and prices herein.

II. DESCRIPTIONS

Trip Fee

A charge of twelve dollars (\$12.00) will be made when Company is required to dispatch an employee to a customer's location.

Connection

A charge of thirteen dollars (\$13.00) per event will be made for those services provided in order to connect a Customer's new point of delivery to the Company's electric distribution system or to make connection changes to a Customer's existing point of delivery to the Company's electric distribution system.

Disconnect/Reconnect Fee

A charge per event will be made for those services provided in order to disconnect or reconnect a Customer's point of delivery to the Company's electric distribution system where service has been terminated or suspended due to any reason allowing for disconnection or suspension of service set forth in Company's Terms and Conditions Applicable to Electric Service. In unusual cases of abuse or tampering, Company will charge all reasonable out-of-pocket expenses necessary to restore its facilities to original condition. Service will not be reconnected until Customer pays the total amount of any funds due the Company, plus the applicable charge(s) stated below.

A charge of fourteen dollars (\$14.00) per event during normal business hours will be charged to disconnect or reconnect services. The reconnection request will be deemed to have occurred during normal business hours if the Customer or other authorized party requests reconnection between 8:00 AM and 4:30 PM on a normally scheduled work day and makes payment of all billing and fees at a Company authorized payment stations by 4:30 PM of that day.

A charge of twenty-nine dollars (\$29.00) will be charged to reconnect when the Customer or authorized party requests reconnection and makes payment of all billing amounts and fees at a Company authorized payment station between the hours of 4:30 PM and 7:00 PM. If full payment is made after 7:00 PM, reconnection that same day will be made only in cases of a Company-determined extreme emergency.

Non-Sufficient Funds Charge

The Company shall charge a Non-Sufficient Funds Charge when payment by check or other payment device is not honored and returned by the Customer's financial institution, payor, holder or the holder's assignee for any reason other than bank error. The Customer shall be charged fifteen dollars (\$15.00).

Temporary Metered Service Connection

A charge for temporary service connection and meter installation will be made where distribution lines are readily available and the installation of additional poles and lines is not necessary to provide service to the Customer, as follows:

- One hundred six dollars (\$106) on each connection for residential construction.
- Greater of one hundred six dollars (\$106) or estimated Company net costs, on each connection for other temporary service.

Where distribution lines are not readily available, or where additional poles or lines are necessary, charges will be derived based upon the Company's extension policies. Customer will be placed on appropriate Company rate schedule(s) for electric service.

Payment by Drawdraft and Levelized/Equal Payment

A one dollar (\$1.00) per month credit will be provided when Customer currently authorizes drawdraft payments at the due date for services rendered by Company and the drawdraft is honored for payment in full, and the Customer also has either levelized or equal payment of billing.

Remote Meter Installation

When there is (a) a threat of violence against a Company employee or contractor, or (b) a refusal to grant access to the Company's meter at the Customer's premises, or (c) a Customer request for installation of off-site meter reading, the Company will make reasonable attempts to install an Off-site Meter Reading (OMR) kWh only meter at the premises to allow off-site meter reading for any non-demand metered customer. A one-time charge of thirty dollars (\$30.00) will be made for the installation of such meter.

Tampering Deterrent

A charge of fifty dollars (\$50.00) will be made to Customers in instances of tampering with Company's meter or equipment, bypassing the same, or in other instances of diversion. This charge shall be imposed for the detection and confirmation of tampering, interfering or theft of the Company's delivery of electric service. This fee shall be paid prior to reconnection of service.

Pulse Metering Installation

A one-time charge of three hundred dollars (\$300) will be made to Customers for each installation of pulse metering equipment. The Customer must enter into an agreement entitled Agreement and Terms and Conditions for Pulse Metering Installation.
