Sheet No.: 53

Effective Date: 8-15-10

Revision: 0

Supersedes: New Schedule

Schedule Consists of: One Sheet

REMOTE COMMUNICATIONS LINK RIDER

I. AVAILABILITY

This Remote Communications Link Schedule ("Rider RCL" or "Rider") is available at all points throughout the territory served by Entergy Texas, Inc. (the "Company") to any eligible Customer receiving service from the Company. Company has the right to terminate this Rider at any time, upon giving thirty (30) days written notice of intent to terminate to the Commission. In such event, each current Customer served under this Rider will continue on this Rider until the end of the Customer's then current contract term, irrespective of whether such contract is in its Original Term or Renewal Term as defined below.

II. APPLICABILITY

The RCL Rider is an optional service that provides a wireless communication link to the Company's meter located at the Customer's premises to provide access for retrieval of Customer usage data for billing purposes or to meet Customer requested interval load data requirements. Rider RCL is available upon the Customer's request and at the option of the Company.

III. LENGTH OF CONTRACT AND CONTRACT TERMINATION

Customer will be required to sign a contract for a minimum term of two (2) years ("Original Term"). If Customer chooses to cancel service under the contract before the completion of such term, the monthly charges not then paid for the remainder of the term shall become due and payable immediately. Customer and Company each has the option to terminate the contract at the end of a contract term (irrespective of whether such contract is in its Original Term or Renewal Term as defined herein) if a minimum of thirty (30) days written notice is provided. If not terminated, the contract will automatically renew for successive one year terms (each individual one-year period being a "Renewal Term").

IV. GENERAL PROVISIONS

All Customers must have an Interval Data Recording meter with wireless communication capability installed by the Company at Customer's expense to enable such data collection, such expenses set forth herein. Customers requiring an upgrade to interval metering may elect to pay for the interval meter installation either through a one-time charge or through a recurring charge paid monthly during the term of, and extensions of the term of, the contract.

Customers who currently own the communications link to the Company's meter may retain that link or they may opt to convert to a Company-owned link at the Customer's expense. All equipment installed by the Company is and will remain the property of the Company.
